SHOWERSPAs

Start your day in a whole new way!

Makena II ShowerSpa

MODEL #1015-II

GENERAL DESCRIPTION

The Makena II PULSE ShowerSpa is timeless in style and function. Elegant chrome fixtures sparkle along the bold, black Tough Glass panel and subtle aluminum rails.

Take ultimate control of your new found oasis with 8 dual-function Select-A-Jet™ body jets, a powerful hand shower and a sleek rain showerhead on a pivoting brass shower arm. PULSE Select-A-Jets™ allow you to selectively turn off the lower jets, increasing pressure to just the right areas. For those with adjoining tubs a convenient spout is integrated into the panel. Designed to suit every need and stand out in any décor, the Makena II ShowerSpa redefines luxury.

PRODUCT FEATURES

- Surface mounted and completely pre-plumbed, easily retrofit your existing shower without a remodel
- Black tempered 8mm Tough Glass panel with anodized aluminum frame and chrome fixtures
- Rub tips clean with Spray Straight™ technology
- 8" Rain showerhead with ultra-thin profile and soft tips to clear mineral buildup for long lasting performance
- Unique side to side pivoting shower arm (brass)
- Invigorating hand shower with double-interlocking stainless steel hose, stretches from 59–78" (1.5–2m)
- 8 Dual-function Select-A-Jets™ with soothing mist and massaging spray—All but the top two body jets can turn off, increasing pressure to specific areas
- Brass diverter easily switches functions—place between functions for further enjoyment
- Convenient shelf for shower products
- Tub spout/temperature tester

SPECIFICATIONS

- cUPC® approved brass pressure balance valve with anti-scald, temperature limit and enhanced flow
- ½" NPT flexible stainless steel braided supply lines
- 2.5 GPM/9.5 LPM Shower System

WARRANTY

- Manufacturer's three year limited warranty
