Maui ShowerSpa

MODEL #1002

GENERAL DESCRIPTION

Our Maui ShowerSpa is a statement of sophistication! The elegant Tough Glass panel, exquisitely styled in a sweeping "S" shape, sparkles from inset specks of gold and chrome accents. Create a feeling of euphoria with 5 dual-function body jets that envelope your body with a gentle mist or massaging spray. A gentle turn of the brass diverter knob switches to the soothing rain showerhead or invigorating multi-function hand shower.

Extending from the panel, a convenient glass shelf keeps shower products at arm's reach. Simple upkeep, the durable glass panel provides easy maintenance after a clarifying cleanse. Sophisticated, well designed and functional, with a PULSE ShowerSpa, there is no better way to start your day!
